

NCS Cascade

980-305

A module-based fan deck featuring frequently used colours from the complete NCS 1950 Standard Colour Collection . Easy to scale up and down based on the need of colours and to cover all colour areas. It can be used as complete set to create a 980 colour fan deck, or in smaller collections featuring the most important and popular colours in NCS

A colour selection are perfect for decorative paint and coatings, industrial paint, product manufacturers and building material.

COLOUR RANGE

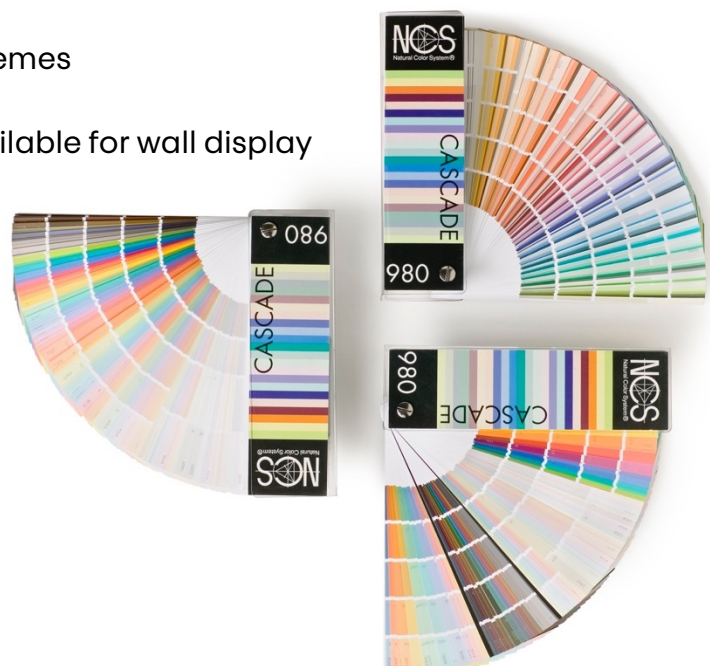

- 980 Colours
- 705 Colours
- 505 Colours
- 305 Colours

COLOUR ARRANGEMENT

A symmetric distribution in the NCS Colour Space. Available in three arrangements:

- Hue – colours flow from yellow to red, blue and green
- Nuance – colours flow from pale white colours, to strong bright colours
- Inspiration – colours organised by themes

The NCS Cascade colours are also available for wall display for shops .
